

Note from Staff Team

What a busy half term we have just completed. The children have experienced a lot of change this term and Mrs Bell and myself are so proud of their resilience and belonging in making new friends, supporting one another and creating a fabulous team! Our highlight of the term was the visit from the Dog's Trust and the children are still talking about everything they have learnt. They have produced some great letters and artwork asking for people to support the charity, which we hope you can view on our display in the main building later this term.

Another exciting and fun filled term has begun and we look forward to the children sharing their new learning and Christmas performance with you later in the term. Finally, we would like to welcome Mrs Coward back to Harthill, who will be supporting Birch Class this term.

Mrs Pullin (Class Teacher), Mrs Bell and Mrs Coward (Learning Support Assistants)

Important Information

Day	Timings of day	Timetable Information
Monday	8.45am - 3:15pm	Mrs Pullin, Mrs Bell (all day), Mrs Coward (am) Learning Log review + book change <i>Whole Class Read to go home</i>
Tuesday	8.45am - 3:15pm	Mrs Pullin, Mrs Bell (all day) Mrs Coward (am)
Wednesday	8.45am - 3:15pm	Mrs Pullin (am), Miss Eddershaw (pm), Mrs Bell (all day) Mrs Coward (am) PE - children come to school in their PE kit for the day. <i>Prepare for all types of weather.</i>
Thursday	8.45am - 3:15pm	Mrs Pullin, Mrs Bell (all day), Mrs Coward (am) PE - children come to school in their PE kit for the day. <i>Prepare for all types of weather.</i>
Friday	8.45am - 3:15pm	Mrs Pullin (all day), Mrs Coward (am), Mrs Bell (pm)

Expectations

Reading

In KS2, unless there is a specific need, children have completed Phonics so will no longer take home a Phonics Bug book to read. Instead, the focus moves to Whole Class Read and they will bring a Year 3-4 appropriate reading text home in a blue wallet. They spend a week in class unpicking ambitious vocabulary and answering different types of questions about this text. It may be challenging initially, but they build their confidence across the week the more times they read the text. Please read this text at home with them at least 4 times in the week and talk about the words they have highlighted in it. Their blue wallet will need to be returned to school each day as this is the text that is used in school as well as at home.

Reading for Pleasure is something we value at our school and it is a joy to see the engagement our children have in these sessions. To support this, your child will bring home a book they have chosen either from the school library or our class bookshelves. This may be seen as an 'easier' book for them or may be one which is more challenging that they need held reading. As long as they're enjoying the book, we don't mind! We support their independence in changing this book whenever they need to. If you have any concerns that your child doesn't seem to enjoy reading, please speak to one of the Birch team. There is a style of book or author for everyone so we will support them in finding theirs!

Spellings

Spelling - There is an expectation for children to be practicing the spellings from their learning logs at home. This half term, we ask you to work on the following 20 spellings ready for a half termly assessment on Monday 4th November. The Year 4 children will have started to learn these spellings last year so can challenge themselves to spell the words within sentences if they are already confident with them.

certain	continue	difficult	eight	experience
circle	decide	disappear	eighth	experiment
complete	describe	early	enough	extreme
consider	different	earth	exercise	famous

They can of course practice as many spellings as they want in addition to this from their learning log.

If your child has spellings on a SEN support plan, they need to practice these but as part of our ambitious curriculum, we would also like them to access the class spellings too.

Maths

Fluency Facts – Fact Fluency within Maths is of the utmost importance at Harthill Primary School therefore we have streamlined our number facts so that children are learning no more than 4 facts for 3 weeks. Supporting your child at home at the correct time would be most beneficial.

Y3	Autumn				
Weeks	1-3	4-6	7-9	10-12	13-15
Facts	1 x 6 2 x 6 3 x 6	4 x 6 5 x 6 6 x 6	7 x 6 8 x 6 9 x 6	10 x 6 11 x 6 12 x 6	1 x 4 2 x 4 3 x 4
<i>Plus corresponding division facts</i>					

Y4	Autumn				
Weeks	1-3	4-6	7-9	10-12	13-15
Facts	1 x 7 2 x 7 3 x 7 4 x 7	5 x 7 6 x 7 7 x 7 8 x 7	9 x 7 10 x 7 11 x 7 12 x 7	1 x 9 2 x 9 3 x 9 4 x 9	5 x 9 6 x 9 7 x 9 8 x 9
<i>Plus corresponding division facts</i>					

Home Learning

Using their learning logs, all children should be:

- Practicing reading at least **4 times a week** using their whole class reading extracts.
- Reading their library book, sharing stories and facts at home and developing their love of books with your help.
- Practicing spelling their statutory spellings and zero tolerance words. We do not have spelling tests but we do teach spelling and focus on children applying these in their writing, which is how we assess their spelling. Reinforcement of their year group words will help your child make progress with this.
- Access Times Tables Rockstars **3 times a week** and practice their tables at home.
- Access Bedrock once a week at home, to consolidate what they have been doing in school.

PE – This half term, our PE sessions are on a **Wednesday** and a **Thursday**. Please note that PE uniform is a plain white t-shirt, black or navy shorts/leggings/jogging bottoms, black or navy sweatshirt/fleece and trainers. Coloured clothing must not be worn. Spare PE uniform is available in school if children come in incorrect clothing. Please tie long hair up and remove any earrings or you can provide sterile tape to protect them.

The children will be completing more outdoor sport skills this year so please ensure they are prepared for all types of weather.

Communication – Feel free to catch me at any point on the playground in the morning if there is anything you'd like to chat about. However, I appreciate this is a busy time and some discussions may need to be private. If you'd rather, call or email the office and I will give you a ring back at a suitable time. Don't ever feel this is a problem – I am very happy to do this!

Ways to Help your Child

Please encourage your child to read as much as possible. It has been great to hear the children read so far and it is clear how much of a love they have for reading. We are continuing with our 'Reading for Pleasure' and we strongly believe that there is a book/genre for every child. If your child is struggling to find reading material to engage them, let me know and we will help.

Joining the local library is a huge benefit for all children as it opens their possibilities when choosing books. I would highly recommend signing up if you haven't already as they also hold lots of fun activities throughout the year for children to engage with.

If you would like to practise spellings with your child, please refer to the Year 1 and 2 and the Year 3 and 4 words in the learning log. If they find some of the spellings easy, try asking them to put them into sentences as well. We will be continuing to develop the cursive script with a focus on the size of the letters being appropriate so please use the guide in the learning log to support this.

This year's focus is 'Writing for Pleasure' and each term a writing competition will be launched. The children can write fiction or non-fiction in any genre as long as it includes the competition topic. Keep a look out for the next competition launch.

What we will be learning this term

<p>English Our class text The dog who saved Christmas Leon and the place between</p> <p>Additional texts: The Lion King (Musical script) The robin and the reindeer (Rosa Bailey) Magician's Nephew (CS Lewis)</p>	<p>Maths Concepts covered Year 3 will be finishing Addition and Subtraction before moving onto multiplication and division. Year 4 have an additional unit – Area. Time tables to practise- The Year 3 children will continue focus on the 6 times table then onto 4s and the Year 4 children are learning the 7s and 9s. As a reminder. The Year 3 children should be confident with 2s, 5s, 10s and 3s and Year 4 children should be confident with 4s, 6s and 8s in addition to these. Please keep practising these at home to support their fluency.</p>
<p>Other Curricular areas: This half term our Science unit is Magnets and Forces and our focus scientists are Leonardo Di Vinci (Scientist) and Eric Laithwaite (Electrical Engineer/ Maglev train). In History, we will continue with our fact finding of the Miner's Strike as well deepening knowledge of Europe in Geography. Our Christmas performance will be our focus in the PE Dance unit and we will continue art with local artist Pete McKee. Our My Happy Mind sessions have been extremely successful with the children engaging in the 'Meet the Brain' unit and taking every opportunity to use the 'Happy Breathing' techniques. The next weekly unit is called 'Celebrate' where we meet team member Charlie.</p>
